Making Music Has Never Been This Easy

Virtual Orchestra dramatically expands music making opportunities and makes learning easy. No matter what song you like, you always have the right instrument as a result of Lowrey's musical diversity and wide variety of instrumental possibilities. Plus, the EZ2's all-new Performer technology creates three dynamic musical soundscapes - all in one instrument. Choose to sound like a Pianist, a Guitarist, or one of many types of Full Band. A generous assortment of authentic voicing options and intuitive player controls create an instrument upon which you can effortlessly play your music your way.
